

LAWNSWOOD SCHOOL

Mathematics & Computing College

Head Teacher : Mr M Davidovic

Ring Road West Park Leeds LS16 5AG

Lawnswood Encouraging Achievement Delivering Success

1st March 2010

Dear parent/carers,

I am writing to let you know that Lawnswood School's Governing Body has accepted a request from our Headteacher, Milan Davidovic, to retire from December 2010.

His retirement announcement coincides with positive progress reported from the most recent OfSTED inspection in February. He and the school community are set on building on these strengths and are very optimistic about this rate of improvement. Milan is determined to spend his remaining time at Lawnswood continuing to bring about rapid improvements at the school.

The Governing Body would like to take this opportunity to thank Milan for his long and dedicated service to Lawnswood, and for timing his decision to give us plenty of notice to recruit a high-quality replacement.

The governing body will shortly begin the process to appoint a new headteacher with the vision, talent and leadership skills to build an excellent school for this community. We will of course keep you informed of any developments relating to the recruitment of a new headteacher.

Inspectors visited the school in February and we are pleased to report the results of the inspection are positive. The school has made satisfactory progress on three of the four key issues. As promised at the parents' meeting last November, a meeting has been arranged for **Thursday 11 March at 6.30pm** to update you on progress and discuss the report in more detail

Thank you for your continuing support in helping to build a school we can all be proud of.

Kind regards,

Amanda Jahdi
Chair of governors
Lawnswood School
